

IBM CLOUD SERVICES

Date	31 October 2022
Team ID	PNT2022TMID38493
Project Name	Project – Signs with Smart Connectivity for Better Road Safety

Team Leader – M.V.Naveen

Team Member 1 –S.Hilaludeen

Team Member 2 – M.Sakthi

The screenshot shows the IBM Cloud Dashboard for Team Member 2 (M.Sakthi). The dashboard has a header with "Dashboard" and a dropdown arrow, "Edit dashboard", "Upgrade account", and a blue "Create resource" button. Below the header, there's a "For you" section with a "Select an option" dropdown. The "For you" section contains six cards: "Build" (purple background, "Explore IBM Cloud with this selection of easy starter tutorials and services."), "Monitor your resources" (5 min, "Getting started"), "Build with Watson" (3 min, "Popular", "Chatbots, insights, recognizers, and more. Explore the AI platform for business."), "Pick your compute" (2 min, "Recommended", "Select a compute option based on your needs, or mix and match to fit your environment requirements."), "Use Watson Assistant" (2 min, "Popular", "Watson Assistant lets you build conversational interfaces into any application, device, or channel."), and "Create applications" (partially visible). Below the "For you" section, there's a "User access" section with "Manage users" and a text input for email addresses. To the right of "User access" is a "News" section with a blue card titled "Announcing IBM Cloud Pak for Network Automation Version 2.4" and a "View all" link. Further right is a "Planned maintenance" section with a "View all" link and a blue button with a speech bubble icon.

Team Member 3 – E.Ishwarya

The screenshot shows the IBM Cloud Dashboard for Team Member 3 (E.Ishwarya). The dashboard has a header with "Dashboard" and a dropdown arrow, "Edit dashboard", "Upgrade account", and a blue "Create resource" button. Below the header, there's a "For you" section with a "Select an option" dropdown. The "For you" section contains six cards: "Build" (purple background, "Explore IBM Cloud with this selection of easy starter tutorials and services."), "Create a custom dashboard" (3 min, "Getting started", "Create a shareable dashboard that you can customize with widgets, scope, and your own layout."), "Explore IBM Cloud Shell" (2 min, "Getting started", "Try a command-driven approach for creating, developing, and deploying a web project."), "Build cloud-native apps using IBM Cloud Object Storage" (10 min, "Getting started", "Build integrated apps using compute runtimes and microservices and use IBM Cloud® Object Storage services for data storage."), "Monitor your resources" (5 min, "Getting started", "Get visibility into the performance and health of your resources."), and "Visit the catalog" (partially visible, "Explore catalog service"). Below the "For you" section, there's a "User access" section with "Manage users" and a text input for email addresses. To the right of "User access" is a "News" section with a blue card titled "Announcing IBM Cloud Pak for Network Automation Version 2.4" and a "View all" link. Further right is a "Planned maintenance" section with a "View all" link and a blue button with a speech bubble icon.
